

COMMUNITY REMINDERS

- All vehicles must be properly tagged. Any vehicle in the parking lot will be cited for towing. If you have proper registration but have yet received your tags please contact the Leasing Office. If your vehicle appears to be stored, dirty with cobwebs on the tires or flat tires it will be cited for towing.
- During COVID-19 we realize there are more and more people working from home. That means we are not driving as much. There are more cars in the parking lot during the day, this means that the open stalls are being used. If you have a vehicle that is not being driven as much it still needs to be moved and kept clean. This applies for cars parked in any open stall. If you have any questions please call the Leasing Office.
- Step outside your front door or your patio. How does it look? Is there clutter on the front porch? Trash bags that have not yet made it to the trash dumpster? How about your patio? Dead weeds and grass? All of this needs to be addressed. Patios need to be kept free and clean of weeds trash and keep recyclables in a sealed container. Dead weeds and grass are a fire hazard. Trash left sitting out can cause unwanted pests.
- There is no drilling into the stucco. No hanging of any items on the stucco walls with nails or screws. No items that can be seen over the height of the patio fence. Nothing attached to the fence or to the rooftop edges. This could result in charges for any tenant caused damage. You can hang an item on the entry door with an over the door hanger. Please remove any toys, any clutter from around your door. Should you have any questions about what is allowed and what isn't please call the Leasing Office.
- The Seneca Terrace Staff is still here working and we are still available for any work orders that you may need to have completed. We realize COVID-19 is a concern and we understand if you do not want anyone inside your apartment during this time. We need to know if there are any water leaks, toilet leaks or clogged sinks. Any electrical issue needs to be reported. We can make an appointment, we have masks, gloves and shoe covers for our team to wear. We want to keep everyone safe but we still need to maintain our apartment units. Should you have any questions please contact the Leasing Office.

Why did the can crusher quit his job?

Because it was soda pressing!

Apple Cinnamon Pancakes

STEP 1:

Preheat a skillet to medium-high heat (275 degrees).

STEP 2:

Whisk together the milk and vinegar and allow to rest for 5 minutes.

STEP 3:

While milk is curdling, whisk together flour, sugar, baking powder, baking soda, and salt in a large bowl.

STEP 4:

Whisk egg and oil into milk. Add wet ingredients to dry ingredients and stir until combined (don't over-mix, it should still have some lumps).

STEP 5:

Spray skillet with cooking spray. Use a 1/4 cup measuring cup to pour batter onto skillet. Cook about 2 minutes until bubbles form and the edges start to look "dry". Use a spatula to flip the pancake and cook another 1-2 minutes on the other side. Set pancakes aside and repeat with remaining batter.

STEP 6:

Add butter, apples, brown sugar, and cinnamon to a medium sauce pan. Stir over medium heat 3-5 minutes until apples are very tender. Stir in syrup. Serve apple topping over warm pancakes.

INGREDIENTS:

- 3/4 cup milk
- 1 1/2 tablespoons vinegar
- 1 cup flour
- 3 tablespoons sugar
- 1 teaspoon cinnamon (if you really love cinnamon you can add another 1/2 teaspoon)
- 1 teaspoon baking powder
- 1/2 teaspoon baking soda
- 1/2 teaspoon salt
- 1 egg
- 2 tablespoons oil

APPLE TOPPING:

- 2 tablespoons butter
- 2 apples, peeled, cored, and diced
- 2 tablespoons brown sugar
- 1/2 teaspoon cinnamon
- 1/3 cup maple syrup
